

Fall 2009 Professional Development Network for

School Counselors

This Network will create an opportunity for PreK-12 school counselors to consult, collaborate, and receive professional development on ways to improve student services. Attendees will receive information and resources from the Department of Education and the Agency of Human Services.

School Counselors should bring:

- Materials to take notes; laptops encouraged
- An example of a lesson plan or project to share that has a focus on Career Awareness or Career Exploration

Dates and Locations

November 6 - Castleton State College, Castleton

November 9 - Lyndon Institute, Lyndon Center

November 13 - Northwest Technical Center, St. Albans

November 16 - Howard Dean Education Center, Springfield
